

Surrender Form

We'll require detailed information about your Wire Fox Terrier in order to find it the best possible forever home. Please answer all of the questions honestly and in full, as that will be most beneficial to your dog.

Please note: Your dog should be neutered/spayed, microchipped, and vaccinated before surrendering. Because we are an organisation of volunteers depending on donations to run our group, we cannot afford to pay for these procedures. If your dog needs one or all of these things, and you are unwilling to have them done or to fund the costs for us to have them done, it may affect our ability to accept your dog into our care.

Dog's Name	
Age & Birthdate	
Gender	
Weight	
Reason for Rehoming?
